

TAI Cycling
Now Ranks 5th out
of 70 Oregon
teams!

With over 30 active members in Bend and Portland, TAI Cycling has established itself as one of the premiere amateur teams in Oregon. Our mission is to best represent cycling in the North West!

Our 2007 Bend Team

TAI Cycling racers compete in road, mountain bike and cyclocross events in Oregon, Washington, Idaho and California.

According to VeloNews, Oregon ranks #1 in the USA for most bike racers per capita. Oregon really is the place for bike racing in America!

We have had great success this year with over 30 podium finishes so far this season. With several of our riders competing at the highest level in the United States, TAI Cycling is a great opportunity for sponsors to get recognition at all levels of the sport.

Our riders balance their duties as racers with their responsibilities to their work, communities and family. Our racers enjoy volunteering for community events, charity events, races and youth development programs. TAI Cycling members are great role models because they are always professional and courteous. Sponsoring our team is a great way to be seen in the community.
